Notice to Customers regarding the EU Timber Regulation

The European Parliament's regulation (EU) no. 995/2010 to address the problem of illegal logging and prohibit the sale of illegally sourced timber within the EU, lays down the obligations of operators who place timber and timber products on the market.

To support our customers meet the requirements, Alpi SpA, together with its subsidiaries, are able to provide all information required of the EU Timber Regulation so that obligations regarding risk assessment and risk mitigation can be undertaken.

Information that can be supplied includes:

- Scientific name of the timber species;
- Country of harvest and/or production area;
- Name and address of the supplier;
- Documents stating the legal right of concession and harvest;
- Documents indicating compliance with the tax, social security and environmental legislation of the country of harvest;
- Risk assessment procedures applied in the purchase of raw material from third parties.

Additionally, and as further evidence of the existence of established procedures aimed at demonstrating legality and sustainability of its products, Alpi SpA is able to provide certification against the following standards:

- Certificates FSC® SGSCH-COC-004194 and BV-COC-003195;
- OLB ("Origine et Légalité des Bois") Certification no. 090501 and no. 60441064 issued by Bureau Veritas; and,
- Certification N° IT16/0631 of Italian Poplar plantations issued by SGS.

To retain and confirm the above-listed certifications, Alpi SpA undergoes yearly surveillance audits.

In witness whereof,

Vittorio Alpi - CEO

Self - Declaration
regarding FSC-POL-01-004
(Policy for the Association of Organizations with FSC)

The signing Organization is associated with the Forest Stewardship Council A.C., Oaxaca, Mexico, or one of its subsidiaries or affiliates (hereinafter: FSC) by being either a member of or having a contractual relationship with FSC. Hereby the signing Organization explicitly states that it has read and understood the "Policy for the Association of Organizations with FSC" as published under www.fsc.org. This policy stipulates FSC's position with regards to unacceptable activities by organizations and individuals which already are or would like to be associated with

FSC as well as the mechanism for disassociation.

In light of the above, the Organization explicitly agrees currently and in the future, as long as the relationship with FSC exists, not to be directly or indirectly involved in the following unacceptable activities:

- a) Illegal logging or the trade in illegal wood or forest products;
- b) Violation of traditional and human rights in forestry operations;
- c) Destruction of high conservation values in forestry operations;
- d) Significant conversion of forests to plantations or non-forest use;
- e) Introduction of genetically modified organisms in forestry operations;

In addition, the signing Organization recognizes that the principles established by the International Labor Organization through the 1998 Declaration on Fundamental Principles and Rights at Work (the "Principles") serve to guide governments in the protection of the basic rights of workers without defining a uniform path for every nation to follow. Based upon these Principles, and consistent with applicable national law, rights, regulations, and administrative/judicial rules and procedures, the signing Organization shall respect:

- a) Freedom of association and the effective recognition of the right to collective bargaining;
- b) The elimination of all forms of forced or compulsory labor;
- c) The effective abolition of child labor; and
- d) The elimination of discrimination in respect of employment and occupation.
